

## ADLER Petroleum

## 96110

Liquid fuel and detergent based on hydrocarbons for DIY and professional use

### PRODUCT DESCRIPTION

#### General

ADLER Petroleum is a colourless, flammable and odourless liquid which is made of mineral oil, with very good dissolving power for oil, grease and wax. It is a liquid mixture of hydrocarbons.

#### Application area

- Detergent (intermediate cleaning) for substrates which are strongly contaminated with oil and grease
- Fuel for suitable devices

**Note:** ADLER Petroleum 96110 leaves a thin film on the surfaces. Therefore ADLER Petroleum 96110 is not suitable for cleaning and degreasing before coating.

### ORDERING INFORMATION

#### Size of trading unit
